Jennifer, thanks for the good wishes. We are reaching out to the district and Environ on the data availability. We'll let you know once we've connected with the right folks (hard to get everyone the day before the 4th).

Have a great weekend beyond reading work plans!

Thank you for sending this!

Did you hear from environ? Do you know When will they send the test results?

I look forward to receiving the plan today. Weekend reading! ☺ Sadly, I am serious!!

Happy Birthday 4th weekend!

Jennifer-

Good talking to you yesterday. Thanks for the stuff you sent me. Here's the information on the trip and group that my daughter went with to Nicaragua.

Talk to you sometime soon. Happy 4th.

Jeff

Dear SRHS students and parents,

You are receiving this email because your student participated in an interest meeting today regarding Global Student Embassy's (GSE) summer program to Chacaraseca, Nicaragua. This 13 day trip will be led by SRHS's Rachel Kalish and focus on youth leadership, cultural exchange, and training in organic food production methods at GSE's school gardens and farms. Students stay in the beautiful city of Leon, work with students their age, have the opportunity to climb volcanoes and swim in tropical lakes. GSE also has a year round program that will begin operating at SRHS (through the partnership of Ms. Kalish and other teachers) next year to help manage a school garden, start a composting program and work with student leaders.

The cost of our program is \$2,300 which includes all food, transport, accommodations, activities and and airfare for the trip. Below are important dates regarding: parent meetings, how to register for the Nicaragua Program and when deposits for the trip are due.

Parent meeting: Thursday February 13th. 6:30 pm Ms. Kalish's classroom: S 106.

Program registration: \$200. GSE uses an online platform linked to our website called [empowered.org](http://www.empowered.org) to collect registration forms and payments. Being the first year, registration will be on a first come first serve basis. There are 18 spaces on the trip.

Empowered.org : Please visit this link and select the tab "volunteer with us" to register> <http://www.empowered.org/SRHS-Nicaragua-Summer-Break-Program>
